### **Old Business**

#### **Hall Restoration**

- Randy Stehling's Report
  - Randy reported on the current status of the hall restoration project. He stated that Steps 1 & 2 have been completed, the Documentation of the Building and the Building Program.
  - Donnie Reeh and Jeff Dittmar were acknowledged for their assistance in the Building Documentation.
  - Copies of the Building Program were distributed to members for review.
  - The next phase of the project will be to create designs and sketches. The goal is to:
    - 1) Communicate recommendations to the membership
    - 2) Evaluate anticipated costs
    - 3) Recommend further steps
  - Step 3 of the project will be to create designs that are thought-out, complete and accurate.
- Carlos expressed his gratitude to Jeff Dittmar for all his work on the project
- Randy Stehling stated that the Building committee will archive photos of St. Joseph Halle. They will be used to document the progress of the project both before and after completion.
- Carlos stated that fundraising begins after Cost estimates are established and figures are ready, sometime in April, May, or June. We will be working with the Community Foundation in this effort.
