**Historical Presentation on the Marienkirche:** The membership was given a lesson from the past on the fascinating history of the Marienkirche, which according to an interview given in *Texas Monthly*, is considered the second most historically significant building in the State of Texas. Carlos Juenke's power point presentation started with a brief history of a congregation's struggle to establish a place of worship in 1863, during the struggles of the Civil War. This included: establishing the convent, procuring and protecting construction materials, use of windlasses for lifting stones, and establishing the school.

**Meal:** Chile, beans, cornbread. Graciously provided by Jeff Dittmar, Martha Juenke, and Susan Boone.

**Halle Restoration:** Bobby Sagebiel reported that the Committee for the Capital Campaign is completing last minute details for the fundraising event to be held at Dian Stai's Sheep Barn. The event will be held, Sunday, Oct. 14, at 11:30 AM. He also indicated that marketing packets are to be mailed to those who cannot attend.

The Capital Campaign Committee is urging St. Joseph's Society members to contribute something to the restoration project as soon as possible. Members who cannot make a long-term pledge now are asked to at least make an initial one-time donation, no matter the amount. The goal is to get 100% participation. The society is about to enter the next phase of the campaign: applying for foundation grants. The foundations want to see high member participation.

**Know Your Faith:** The membership viewed Part 5 of *Catholicism*, in this year's Know Your Faith series.
